Date: 15 February 2010

To whom it may concern:

This is to terminate the domestic helper service by Ms Belen Mechelle Gata for me who has served me for last 5 years.

Mechelle is a very reliable and good domestic helper in doing all household chores and Chinese cooking.

I highly recommend Mechelle to any employer for her domestic helper service.

Please call me at [redacted] if you need any work reference for Mechelle.
