

Dear whom it may concern:

This letter is to certify that Mary Jean Abastillas has worked for my household from January 2016 to present in the capacity of domestic helper. My family is relocating away from Hong Kong and therefore Mary Jean is released from our contract.

During her tenure here, Mary Jean has worked diligently and responsibly. She is a fast-learner, who quickly adopted to my family's lifestyle and consistently achieves our expectations. MJ is trustworthy that she manages household spendings reliably and takes great care of our child. She is positive in attitude and outspoken. During her time in our family, we have never had arguments. We recommend her without reservation to any employers.

The main duties of Mary Jean include cooking (both Chinese and Western), purchasing food and household items, taking care of baby, cleaning and laundry.
