To whom it may concern

Mangalika has been working for our family since January 2013.

She is hardworking, honest and trustworthy.

she can handle the house chores independently but need to be told exactly from the beginning the does and dont's (as it would be with anybody else)

She is a great cook, can prepare yummy curries and is able to handle some Italian recipes, like pasta, pizza. she knows how to bake.

We are an Italian family of 5 with three kids aged 12, 7 and 4 living in a 3 storey 2100 sqf. house in sai kung. we also have a puppy.

We mutually decided that it is time to move on for both of us as we feel that the workload is just too much for her. she can do everything but the stress of our very hectic life is just too much.

we would definitely ask her to stay if we could accomodate two helpers in our house even if we are not big fans of multiple helpers.

she is a very happy person, never saw her with a grumpy face. she loves to sing and it is a pleasure to have her around, also because she is not intrusive at all (just remember to set the boundaries from the beginning as you would do with anybody else).

during these two years she learnt a lot and we can confidently say that working

I would recommend her to a family with older kids where there's not too much childminding requested. size of the house is not an issue.

I am more than happy to give further details about Mangalika should there be any need for it.

I can be reached via email as i will be travelling for Christmas holidays or anytime after January 4th 2015 by phone.

Mangalika will be available to start working anytime after January 11th 2015. her contract finishes on January 23.

Dec 10<sup>th</sup> 2016,

To whom so ever it may concern.

We are a family of 4. with two kids 15yrs and 12yrs.

Mangabika has been working for us since Jan 2015, but we have mutually agreed to part ways.

She is a honest, cheerful, trustworthy and God fearing person. We have left our home under her supervision over many vacations.

She is happy to keep a well maintained house, once the instructions are clear, she can manage the same independently.

She also looks after my father in law very well, whenever he visits and makes sure that he is comfortable and everything is timely, even if I am not around.

We would love her to get a good family!

Please feel free to call at . . . if you need more information.
