

To whom it may concern:

I am happy to serve as a reference for Severina Rasos who was a part of our family for the last seven years.

She most recently accompanied my ex-wife and children to Los Angeles to resettle since June 2016 and has returned to HK to find her next position. With my kids no longer in HK, I do not require a full time domestic helper.

In a nutshell, Severina is terrific.

She multi-tasks with distinction: cooking, cleaning, caregiving -- she does it all really well. She has been loyal and has been a big part of the upbringing of our children. I respect her decision to move back to HK to be closer to her friends and family.

I would re-hire Severina in a heartbeat if I ever needed someone of her caliber again.
