Madam, Sir,

Michelle has been working at home, as a Domestic Helper since August 2015. We are very satisfied of her services.

She is very professional and brought us usual services of house keeping, cleaning, laundry and ironing.

We enjoyed her cooking skills. She prepares almost every night, a specific and original dinner for my husband who comes home late.

She looks after our two kids, averaged aged 6 and 9 over the period. Her English is very good. She can play, look and watch them. We have built with her a trustful relationship. She handles daily watches but we have even already asked her to take care of them for a couple of days, making possible a quick husband and wife week end.

Last but not least, Michelle is very outgoing; always smiling and can bring some good atmosphere in the family.

With my best regards,

the 31st May 2017
