**Reference Letter**

**To whom it may concern,**

I, ~~MISS ROBERTA~~, declared that I employed Miss Marite H ROTAS, HK ID , under a domestic helper visa from February 17, 2016 until June 13, 2017.

I have been broadly satisfied by her engagement, support and way to take care of my home and family, but had to make her redundant, needs for Domestic Helper services having disappeared.
