Whom it may concern

This letter is a strong recommendation for Lillibeth Panis Tinaja in any role of domestic work.

We're relocating to Europe this summer and, unfortunately, we will no longer be lucky enough to have her services.

Lillibeth started working as a domestic worker at my home in November 2016.

During those 8 months with us she took charge of the entire management of household tasks in an autonomous way.

Due to her continuous efforts, my house was always remained clean and organised.

She has proved that she is valuable to me not only where household chores are concerned but with my children too.

Lillibeth had never given me any chance to object to her behavior. She is loyal, honest, discreet and upright.

Helpful, always happy, and in equal mood, Lillibeth has been perfectly integrated into life of the family.

She is an excellent cook and is aware of the nutritional needs.

She will be missed and once again, I highly recommend her for any position that involves household chores to any future employer.

If there is anything that you would like to discuss with me about Lillibeth's work record, I can be reached at .

I wish her best of luck in her future endeavours.

Best regards,
