**Re: Recommendation Letter**

As Dellava Fatima Borres' employer, I take the pleasure of recommending Fatima as domestic helper with you. She has been working for us as domestic helper for almost two years (from June 2022 to March 2024). During this period, she has proved to be a reliable and responsible person working closely with my other domestic helper. The reason for her departure is due to our family's arrangement.

Her main duties at my family during her employment period include taking daily care of my twin girls and carrying out household chores together with my other domestic helper. She has the capabilities of completing the tasks and caring for babies with exceptional patience and attention. We are grateful for her dedication in the family.

I wish her best of luck in the future and recommend her for any prospective employer she chooses.

Yours faithfully,
