Reference Letter for Elizabeth E. Romero

To Whom it May Concern:

Mrs. Elizabeth E. Romero has been working for us from 1st May 2022 until now as a Domestic Helper.

The contract is for two years. we have to finish that contract because we are leaving Hong Kong.

Elizabeth is always hardworking and work independently.

She is such a respectful, fair and polite person. She has done a fantastic job caring for our family members and pets.

When we are on vacation or holidays, she looks after our pets wonderfully and gives them lots of affection to ensure that they are happy and safe.

Elizabeth's incredible culinary abilities and passion towards cooking is clearly noticed as she makes delicious meals with detail thought.

Elizabeth also puts a lot of time and effort into organising and maintaining the cleanliness of the house, which has been very beneficial to us.

Unfortunately relocation our family forces us to finish our contract.

Your sincerely
