Re. Manzano Susana Dela Cruz

To whomever this may concern:

Ms. Manzano had been employed as my domestic helper since 1 November 2011.

During her employment, her responsibilities included taking care of my son, housework and cooking. Not only is she fast and efficient, she also maintains a very clean household. In addition, she is a fantastic chef, excelling in both Chinese and Western dishes.

Throughout the extensive time that she had worked for me, she had been loyal, responsible and good natured.

Unfortunately, her contract had to be prematurely terminated due to my personal reasons and had nothing to do with her character or her skills.

For the above reasons, I highly recommend her to the next employer. My son and I will truly miss her and wish her all the best. Should you have any questions, please do not hesitate to call me at

Thank you for your kind attention.
