Reference Letter for Quite, Gina Bautista

To Whom it may concerns,

Gina started working as a domestic worker at my home in the beginning of June 2022. She is valuable to my family not only where household chores are concerned but with my child too.

Due to her continuous efforts, my home always remained clean, clothes were neatly hung, ironed or folded and our baby is well fed & being well taken care of. I truly value her great work and contribution to myfamily.

Gina has lived with my family since 2022 and had never given me any chance to object to her behaviour. Once again, I recommend her for any position that involves household chores.

If there is anything that you would like to discuss with me about Gina's work record, please feel free to reach me out at [REDACTED]. I wish her the best of luck in her future endeavors.

Best Regards,
