To Whom It May Concern

Mr. Sabado Dominador Macanas

Mr. Sabado (Ming) has worked for us for nearly 7.5 years. I have to say, we have been very very lucky to have him as our family driver as he is a very professional one with a very friendly and remarkable manner.

For the past 7 years, Ming is exceptionally responsible, courteous and punctual that he has never missed a day of work nor being late for any single time!! He has no speedy tickets yet if I am in a hurry he will cope with my schedule within a safe condition. I deeply believe this is of paramount important as a driver.

Having worked in Hong Kong for nearly 35 years, Ming is very familiar with various areas in Hong Kong including the road regulation and restrictions. He will study the route if you advise him of your destination in advance.

He has an impressive driving manner. Extremely experienced, stable and calm. Very comfortable and worry free as a passengers and I can trust him of driving our family and my kids without adults in the car. He is very responsible, attentive and with positive demeanour.

He communicates with me re any car issues once he notices a potential problem. He always made sure that my car's interior and exterior were in great condition by performing regular maintenance and cleanliness. During his stay with us, we have changed many cars both big and small and he can drive with ease. His dedication and willingness to work overtime even at the last minute made our life a lot easier and relaxed.

Our family has deep respect for him. However, we are going through a downsizing process as my kids have grown up and are studying abroad now and we plan to spend more time overseas so I would like to notice Ming a bit earlier so he will be able to find a good family to continue his work.

We will surely miss having Ming in our daily life. I am sure you will find your life a lot more easier and convenient with his help. I wish him all the best in the future. Please don't hesitate to contact me with any questions. I can be reached
