I am pleased to provide a reference for Rhoda Pigar.

Rhoda has been working with us for two years and she would have remained longer with us were we not relocating to Canada.

We conducted an exhaustive search for a domestic worker and we were pleased to find Rhoda. Our previous domestic worker, who left us to get married, helped us interview candidates and she was equally impressed with Rhoda.

Rhoda is a hard worker. She distinguishes herself by her ability to cook at a high level with a forte in both Western and Asian cuisines. She also manages other household duties well and is able to lead the coordination of all shopping for the household.

We have two children of 9 years old and 7 years old and Rhoda has taken charge of many aspects of their school routines.

In all these tasks, Rhoda exhibits a high level of trustworthiness.

I would be pleased to speak with you in more detail about Rhoda's skill-sets. My telephone number is 43.

Yours sincerely,

A
