To whom it may concern,

I'm delighted to provide a reference for Gerald Canor who has been employed with us more for more than two years. In his role Gerald has taken care of my four children, now aged 11, 9, 6 and 4 taking them back and forth to school on the MTR and managing all of their extra curricula activities including playdates.

Gerald is excellent with the children (all boys) and has learned Australian football and cricket so he's able to play with them after school.

Gerald is kindly spoken but is able to assert control when needed. He's able to cook western and Asian meals and keeps everything clean and tidy despite all of the people in the house. He also manages car cleaning, gardening and general repairs in the house and garden.

Gerald has recently attained his Hong Kong learners permit and is planning to achieve his license around March 2020 so that he is able to become a driver.

Gerald has been an important part of our family over the past two years and I have no hesitation in recommending him to another family looking for someone to look after them and their children. If you have questions about Gerald, you're welcome to contact me at the phone number or email below.

Best regards
