Reference Letter for Maricel Aquino

To whom it may concern,

I am writing this referral for Maricel Aquino who has been an invaluable addition to our family as our Domestic Helper. Maricel's main duties are to look after our extremely active 4 year old daughter, cooking, laundry and cleaning. Most of her day is centred on the needs of our 4 year old, including bathing, preparing meals, taking her to and from kindergarten and dance classes and spending time with her playing games and practicing early writing practice etc. Our daughter loves to make messy arts and crafts activity's and Maricel works together with her, making their own playdough together, making designer outfits out of craft paper for the dolls, basically whatever my daughters imagination can make up Maricel does her best to facilitate.

As both parents work in our household Maricels ability to use common sense and highly effective communication skills have been essential to a smooth running house. We are extremely grateful to her for having a 'can do' proactive approach to her work, and for her loving care of our daughter.

As we are relocating back to New Zealand we have to let Maricel go, but hope she can find a place in a family that can appreciate all she brings to the job.

If you have any specific questions or concerns please feel free to call or whatsapp me directly.

Regards
