To whom it might concern:

Rios Marissa Guiquin started working as a domestic worker at my home since September 2019 to May 2024.

During her tenure with us, her major duties are taking care of my children and performing household chores. Due to her continuous efforts, my house is clean and my baby is well taken care of.

Once again, I recommend her for any position that involves household chores & childcare. I wish her best of luck in her future endeavors.
