To Whom It May Concern

I write to support Ms TATOY Lerry Trabucon [HKID: W645694(7)]'s application for the position of domestic helper. She has worked for my family since July 10, 2020 in Hong Kong upon completion of her last contract.

Ms Tatoy's main duties include taking care of my daughter who is now 11 years old; preparing healthy and delicious meals; washing laundry; cleaning and tidying the house. During her service with us, she has been performing her duties conscientiously.

I would highly recommend Ms TATOY because she is patient, loving, cheerful and has a great sense of initiative to take care of whatever is needed to be done. She has an excellent relationship with all of the family members, especially my daughter.

We are relocating to the USA and that's why we no longer need a helper at home.

I am more than happy to answer any questions regarding Ms Tatoy's performance.

Sincerely yours,
