

To Whom It May Concern,

I am writing to highly recommend Lilac Dawn A.Cagasan for any future employment as a domestic helper. Due to my relocation to China, I unfortunately have to discharge Lilac Dawn A.Cagasan from her position, despite her outstanding performance and invaluable contribution to our household.

Lilac has been employed in my household for almost 3.7 years. During this time, she has been responsible for taking care of my son, who is in K2, and my elderly parents. Her work has been exemplary, and she has consistently demonstrated qualities that make her an exceptional domestic helper.

Lilac is highly diligent and responsible, always ensuring that all tasks are completed to the highest standard. She has effectively managed her duties, showcasing strong organizational skills. From preparing meals and assisting with daily activities to providing attentive care and companionship, Lilac has been reliable and compassionate.

Her ability to balance and prioritize the needs of a young child and elderly individuals is commendable. My son has thrived under her care, and my parents have greatly appreciated her kindness and support. Lilac has created a warm and safe environment in our home, and her presence will be greatly missed.

In addition to her professional skills, Lilac is a trustworthy and dependable individual. I have always felt confident in leaving my home and family members in her care, knowing they were in capable hands. She has been an integral part of our household, and her positive attitude and willingness to help have been greatly valued.

In conclusion, I wholeheartedly recommend Lilac for any position that requires dedication, responsibility, and strong organizational abilities. She will undoubtedly be an asset to any household, and I am confident she will excel in any future role she undertakes.
