Vangie A, Duller

To whom it may concern

Please take this as my confirmation that Vangie Duller was in my employ from 3rd July 2006 to 30th June 2017 08 2017

Vangie has been absolutely superb support for our family over the last 10 years, she has been invaluable help as the children grew up and it is with great regret that we have decided to release Vangie's contract. Both children are now grown up and family moving back to the UK.

I have no hesitation in recommending Vangie and would be happy to offer further reference if needed, contact details below.

Yours Sincerely
