

SUPPORT LETTER

This is to certify Mrs. ARICA, _____ NO (HKID Card No. W _____ (A), passport no. P _____ 4B) has been working for us, during this period, she proved to be a reliable and responsible person. Due to her continuous efforts, our house always remained clean and tidy, our kids are happy to be around her. RICHIE 's main duties at my family are taking care of our kids together with another helper (such as bathing, dressing and preparing meals, bringing mainly our son to and/or picking him up from the school/extra-curricular activities and other household chores).

She was able to work independently, and she was problem solving oriented. As we need to travel for business quite often sometimes, we were able to trust her to take care of our kids and take care of our place properly.

We had agreed with each other that once our previous helper auntie comes back to work for us, she will then be replaced. Therefore, we unfortunately have to say good-bye to her now. Nevertheless, we will try our best to help Richie to find next family.

We appreciate her work and trustworthy attitude very much. We would like to wish her the best of luck in her future endeavors and recommend her for any prospective employer she chooses.

Yours faithfully,
