Letter of recommendation

To whom it may concern,

This is to confirm that Fanni has been working for our family since July 2022. During this period, she has proven to be very trustworthy, hardworking, and a good fit for our family. She excelled at looking after our daughter, building a great relationship with her, while also independently managing our daughter's weekdays (playdates, school drop-offs and pick-ups, etc).

Moreover, Fanni was also responsible for cooking our meals, shopping and all of the housework (cleaning, laundry, ironing, etc). Fanni is highly motivated, responsible, speaks good English, and needs little managing. She is kind, discreet, and always in a good mood. We will miss her very much and can recommend her to any new employer without hesitation.

Best regards,
