Dear sirs/ madams

Re: Fely

I am writing to confirm that Ms Balagso worked as a domestic helper at our home between Nov 2018 to July 2024.

During her time working here, Ms Balagso is helpful and is good at keeping our place clean. She also can cook a variety of Chinese and western dishes.

We terminated our employment as we only wish to keep one helper in the family.

Best regards,
