

Reference Letter on Jade [REDACTED]

To someone who concerns,

Jade started working as a domestic worker at my home in September 2021 during Covid. She is valuable to me not only where household chores are concerned but with my children too. We all like her a lot, she is a family member to us, while we are no longer hiring Jade because of relocation.

Due to her continuous efforts, my house always remained clean, clothes were neatly hung, ironed or folded. Jade is honest, hardworking and reliable. She speaks good English, she has a cheerful, kind disposition and will ask questions if she isn't sure of my instructions. She treats my children as her own children, Jade has done a great job looking after my two kids over the last 4 years.

There is no praise bigger than this. Once again, I recommend her for any position that involves household chores. I wish her best of luck in her future endeavours.

Ex-employer
