This is to certify that Ms. Molina [redacted] has worked for me as domestic helper since 2020; and she will completed her 4-year contract on 17 September 2024.

She has been a pleasure to work with, she is a super great cook, she can cook different kind of food. I highly recommend her for you. We would love to have her around, unfortunately, we need to immigrate to UK, she is the best helper we would ever wish for, we wish her all the best.

Please feel free to whatsapp me if you wish for further information.
