Ms. Verlita Atoz has worked at my home since October 2022. She was hired to do housework and also to look after my elderly mother. She is finishing her contract and is now looking for a job only because my family has decided to hire someone with formal nursing training to take care of my mother, who turns 99 years of age this month.

Verlita is cheerful, honest and straightforward. She has shown much compassion and patience in taking care of my mother who is wheelchair bound, feeding her blended food, showering her, taking her to the toilet, pushing her to the park etc.

As a bonus, Verlita is an excellent seamstress, and has made alterations to many of my family's clothings.

We will miss her.

Please feel free to contact me at mobile: [redacted] should you have further questions.
