

To Whom It May Concern,

I am writing to highly recommend Junabel \_\_\_\_\_, who has been working for me and my family for almost a year. During this time, Junabel has proven herself to be an invaluable asset to our household.

Junabel has been incredibly helpful with our baby and has taken good care of our 7 and 12-year-old children. She is diligent in running errands and has consistently maintained a tidy and clean home. Her cooking skills are commendable, and she follows recipes with precision and ease.

Junabel is exceptionally good at her job and follows instructions and rules meticulously. She is smart, has excellent communication skills, and addresses any issues that arise with the children or in the household promptly and effectively. Her proactive approach ensures that problems are discussed and resolved quickly.

She has also done a wonderful job looking after our young husky, keeping him happy and clean. Junabel's personal hygiene is exemplary, and she understands the importance of maintaining common sense in her work.

Unfortunately, due to our upcoming relocation, we are saddened to let her go. We are confident that Junabel will be a great addition to any household, and we wish her all the best in her future endeavors.

If you have any questions or require further information, please do not hesitate to contact me.

Sincerely,
