

To Whom It May Concern,

I am writing to recommend Sister Marilou enthusiastically for her exceptional services.

Since joining our family in May 2024 to take care of my mother, who was living alone and had been diagnosed with brain cancer, Sister Marilou has become an integral part of our family.

I would like to highlight a few of her outstanding qualities for your consideration:

**Responsible and Respectful:**

Sister Marilou consistently approaches every situation with politeness, humility, and respect, ensuring our needs are met.

She is extremely considerate, always offering proactive help before her own needs.

Her respect, patience, and pleasant demeanor have made her a valuable addition to our family.

**Extremely Diligent and Hardworking:**

Sister Marilou prepares excellent and healthy meals and works late into the night.

Due to hospital visits, she often arrives home around 10 pm and prepares dinners for my father and brother before attending to her own needs.

She voluntarily gave up her holidays for many weeks to care for my mother when no one else was available without a single complaint.

Additionally, she arranged for a bell to help my mother alert her during overnight needs.

**Caring and Considerate:**

Sister Marilou has been a source of comfort for my mother, who has been battling depression.

She visits the hospital twice a day, cooks for my mother, provides care such as applying lotions and massages, and uplifts her spirits.

Her care for my mother goes beyond the basic requirements of her role, and she has become someone my mother relied on and cherished.

We are immensely grateful for her support during this challenging time.

Great with Children:

During my brief absence in Hong Kong, Sister Marilou took exceptional care of my 2-month-old baby and 6-year-old.

She engaged the 6-year-old in activities and assisted with putting the baby to sleep.

Moreover, she was a great help during outings in Hong Kong, such as shopping and dining.

Unfortunately, due to my mother's passing in October, we no longer require Sister Marilou's services. Nevertheless, I wholeheartedly recommend her and believe she would be a valuable addition to your family.
