

To Whom It May Concern,

I am writing to recommend **Talledo Maria Victoria Cabusca** (We called her **Maria**), who worked as a domestic helper in my home from **5th August 2021** to **31st December 2024**. She was reliable, hardworking, and a joy to have around.

Maria handled various tasks, including:

- **Housekeeping:** Keeping our home clean and tidy.
- **Cooking:** Preparing delicious and nutritious meals. Her culinary skills are exceptional, often creating dishes that rival those of a professional chef in a restaurant. She consistently impressed us with a variety of flavourful and beautifully presented meals.
- **Childcare:** Taking great care of our children.
- **Errands:** Running errands and managing shopping.

She was always punctual, trustworthy, and respectful. I highly recommend **Maria** for any future job, especially for those who need excellent cooking. **Maria** would be a great addition to any household.

Sincerely,
