RE: REFERENCE LETTER FOR MS REGINA BESUELO ANDRAJE

To whom it may concern,

This letter serves as a reference letter for Ms Andraje and to verify that she has been continuously employed by me for the past 4 years. Please note that Ms Andraje has extensive experience as a Foreign Domestic Worker with a total of 19 years' experience (14 in HK and 5 in Singapore).

I wholeheartedly recommend Ms Andraje as a domestic helper. She possesses a remarkable ability to connect with people, she approaches every task with enthusiasm and care. In addition to her interpersonal skills, she is diligently organized and reliable. She has a knack for managing multiple responsibilities efficiently, ensuring the household runs smoothly with a positive attitude and strong work ethic.

To place this in context, I work very long hours with my company, and Ms Andraje has been the primary care giver of my daughters (aged 7 and 10) for the last 4 years; ensuring they complete their homework every day, attend after school activities on time, arranging play dates and planning healthy meals, all under her own initiative and without the need for supervision. In addition, her other duties in the home include, cooking (she is a wonderful cook), household cleaning, washing and ironing, marketing (shopping for groceries). In summary, she does all duties required for a smooth running household and she does them with the highest degree of diligence and excellence. She is honest and trustworthy and importantly she is a wonderful, loving and responsible caretaker of my daughters.

Ms Andraje comes with the highest recommendation by me and I attest to her good fame and character. If you have any questions or would like to discuss this recommendation further, please feel free to contact me.
