

Reference letter for DAHIS, VIOLETA PAJAROJA

DAHIS had work for me for 10 years (2011 to 2021). She is a responsible helper, and she will organize the household duty by herself, she always keeps my home neat and tidy.

She is also a skilled cook. She can cook different kind of dishes and manage to cook party food for dozens of people without difficulties.

As my children grown up, I no longer need a fulltime helper at home. So, I terminated the employment relation with DAHIS. However, I will give a great credit to her for helping me through these 10 years and wish her all the best in her coming future.
