To Whom It May Concern,

I am writing to provide a reference for Lirazan, Hasel Amparado, who has been working as our domestic helper for the past two years in Hong Kong. During this time, Hasel has been playing an important role in our family, and I wholeheartedly recommend her for any future employment.

Hasel's main duties here were cooking, cleaning, and assisted taking care of my children in 4yo & 1yo respectively. During her service with us, she performed most of her duties satisfactorily.

She is a systematic and organised helper who can manage the daily routine including cleaning, laundry, grocery marketing independently. She's good at preparing both Chinese and Western cuisine which both of my kids are in love with.

Throughout her time with us, Hasel has demonstrated reliability and trustworthiness. She has a healthy lifestyle. She devotes in her religion and has a fruitful church life.

In summary, I highly recommend Hasel as a domestic helper.

Please feel free to contact me if you have any further questions or require additional information.
