

Domestic Worker Reference Letter

December 19, 2024

Dear Sir/Madam,

I am writing to heartily recommend Mary Ann, who has served as a domestic worker in my home for the past 2 years. During her employment, she has shown exemplary skills in household tasks, from cleaning, laundry, and cooking to managing household budgets, as well as providing excellent care to children wholeheartedly if needed.

She has been taking very good care to the children (infant) with heart and patience. My children love her very much as well. They are as close as friends.

She has high reliability, time management skills, and impeccable work ethic. She is quick learners, adapt to new situations seamlessly, and are always eager to take on new tasks and responsibilities.

I am confident that Mary Ann will perform her duties diligently and not only meet but exceed your expectations.

Yours sincerely,

Ms Ko
