To Whom It May Concern:

Re: Recommendation Letter for Domestic Helper Ms. Maylin Dupitas Villanueva

Employment Period: 19 May 2014 – June 2025 (actual release date to be confirmed)

We would like to recommend Maylin who has been working for our family as a domestic helper for 11 years since 19 May 2014. She has been working continuously with us for almost 6 two- year employment contracts. Due to unforeseen circumstances, we need to relocate in June 2025. We would like to help Maylin find a new employer in Hong Kong and she can start work in June or July 2025.

Maylin came to work for us in 2014 from 5 years of working in the Middle East (Jordan) after taking care of 5 children, ranging from infants to 10 years old children. Our family's needs in Hong Kong were different, and she learned quickly to take care of our 3-person household comprising of an adult couple and an adult son, who returned to HK from the US for a couple of years during the COVID.

Maylin's household duties for our current 1,400sf village house in Sai Kung are: cleaning, planning meals and cooking a variety of food ranging from Western pasta, bread, pizza, salads and even, turkey during Xmas and New Year when we occasionally host dinners, Chinese and international fares, household chores like cleaning, tidying, organizing, shopping for food at the local market and supermarket, car washing and gardening, cultivating new plants and herbs.

We find that Maylin really enjoys being with our pets. We had a geriatric dog which required Maylin to be patient and to learn how to administer medications. After our dog passed, we have two young 3 months and 5 months old puppies that Maylin has to care for. Our dogs now, 5 and 6 years old, listens well to her, and are very healthy and happy.

Maylin is very reliable and trustworthy. She is mature, pleasant and obedient. She takes instructions well. She is a great cook and she likes to research new recipes from the internet and YouTube videos, and is often found singing in the kitchen as she tests the recipes out.

We believe Maylin would be a great addition to any family in Hong Kong. She is honest, adaptable and caring. She is a great help to my wife and I, and we will surely miss her. We hope you will kindly grant her an interview and consider her for your family as a domestic helper. Feel free to reach out to us if you have any questions:

We wish her the very best, and will continue to keep in touch with her. She will be greatly missed. Thank you for your kind consideration.
