Re : Recommendation Letter to our Domestic Helper

I am writing this recommendation letter for Miss Kristine Joy CARDINAL (Philippines Passport number : P0130932C) to attest to her exceptional cleaning and cooking skills. She is thorough and efficient, and she always goes above and beyond her duties to ensure that our household is clean and tidy. She is also skilled in organizing and decluttering, which has been a great help to our family.

Also, she has an extensive knowledge of Asian cuisine, and can cook a wide range of foods. Her dishes are always flavorful and cooked to perfection. She also has a talent for creating new recipes and has been able to surprise us with new dishes that we have never tried before.

Furthermore, she is a kind and nice person, and can get along well with us and even my pets. Our family has had the pleasure of having her as our domestic helper for two years, and during that time, she has kept our household in impeccable condition. We highly recommend her for any household that needs a domestic helper with exceptional cleaning skills, and we are confident that she will make a valuable addition to any household.

Yours Sincerely,
