To whom it may concern

Re: Amelia Dela Cruz WAPSON

Amelia has worked for us as a domestic helper since October 2011 until when we relocate to the UK in June 2025.

She has been part of our family for many years, having supporting us through births of our 2 children. The children have known her since birth therefore Amelia has been a huge part of their everyday life.

Because both my husband and I work, Amelia has taken care of all of our household tasks which include cleaning, meal planning & preparation, shopping, ironing, washing as well as looking after the children.

Amelia is extremely reliable, hard working, trustworthy and honest. She works well independently and I am happy to recommend her to any prospective employer.

We will miss Amelia, especially the children, when we leave Hong Kong. We wish her all the best for the future.

Sincerely,
