

To whom it may concern,

Gerry was employed as our domestic helper for 10 years from 08/2015 - 08/2025.

We always found Gerry to be willing and dependable. He kept our flat (2 adults & 2 cats) spotlessly clean and managed all of our household chores – washing, ironing, shopping and cooking – to a high standard.

Whilst on holiday we had complete faith in Gerry to look after our cats and the flat in our absence.

We fully recommend Gerry to any future employer and would be happy to provide a spoken reference or answer any further questions.
