To Whom It May Concern,

I am writing to provide a reference for Teresa, who has been our domestic helper. It is with a heavy heart that I inform you of our permanent relocation from Hong Kong, which necessitates releasing Teresa from her duties with us. This decision was not made lightly, as Teresa has become an integral part of our family.

Teresa is an exceptionally hardworking, reliable, and honest individual. Throughout her time with us, she has consistently demonstrated a strong work ethic and a commitment to her responsibilities. From managing household chores to caring for my children, Teresa has excelled in every task she undertook. Her dedication and attention to detail have made our home a more welcoming and organized space.

Our children have developed a deep affection for Teresa; she has not only taken care of their needs but has also been a positive role model. Her kindness, patience, and nurturing nature have greatly enriched their lives. It is truly difficult for us to leave her here, as she has been a trusted part of our family.

I am confident that Teresa will be a valuable addition to any family she joins in the future. Her ability to adapt and her strong moral character make her an ideal candidate for domestic work in Hong Kong. We wholeheartedly recommend her to any family that she will work for.

If you have any questions or require further information, please do not hesitate to contact me. I wish Teresa all the best in her future endeavors and hope she finds a family that recognizes her many strengths.

Thank you for considering this reference.
