

## **Recommendation Letter**

**To whom it may concern,**

I am writing to recommend **Ms. MIGUEL, Janice Muijar** (*hereafter as Janice*). Janice, who is one of the top outstanding domestic helper in Hong Kong, she has displayed her professionalism and dedication to duty in taking care my wife and newborn baby during the period between **4 July 2022** and **9 August 2023**. From my observation, Janice always understand and fulfill the physical and mental needs of my baby. Janice is a very experienced and skillful domestic helper and baby caretaker. Janice is also good at cooking Hong Kong dishes, her cooking not only delicious, but also fit for our favor. Furthermore, Janice was very caring and patient when taking care of my baby. She would always maintain a high standard of hygiene and at the same time make sure my baby feel relaxed and comfortable when feeding food/milk, changing diaper and playtime etc. More importantly, Janice was patient and skillful in taking care my wife to do the same.

What impressed me the most was that Janice would always take the initiative to conduct counselling with my wife, which effectively helped to relieve the stress and nerve of my wife who is a mother of first time. Also, Janice would act as the communication bridge among the family members in order to facilitate our coordination and cooperation in taking care of our baby, her presence was found helpful in maintaining the harmony in my family.

I and my wife feel lucky and happy to have Janice with us during such an important period of time. Since our family decided to migrate overseas soon, otherwise Janice would serve our family with a long time as I expected. We are highly satisfied with Janice's excellent service and thus have no hesitation to recommend her to anyone who is looking for an experienced and professional domestic helper and baby caretaker.
