

29th August 2025

To whom it may concern,

Ms GABO, Glesie Rogador has worked for us since 27 September 2021 to 24 September 2025 (finished contract). During the above period, her duties includes household duties, marketing and taking care of my two kids which are now 8 and 12 years old. When my mum, who is an elderly, comes to visit, she also cooks and serves her well and impresses me with her politeness and respectfulness. She co-work with another helper and she is a good team player and flexible.

She is a responsible, hardworking, caring and loyal person. She is willing to have open discussion and communicate with others well. She follows instructions and tries her best to make adjustments and improvements according to needs. She is adaptable and can fit in our needs well. She also takes initiative to do the tasks needed.

As the needs of our family change, we just need one domestic helper in the future and that is the reason why we do not renew the contract with her. I am delighted to recommend her for her potential employers.

We are thankful for her effort throughout all the years and wish her all the best for the future.

Regards,

Ms Emily Tan
