TO WHOM IT MAY CONCERN

This is to certify that Barao Norma Vicente has worked for me as domestic helper since 2025-02-28. During her service with us, she performed her duties to my complete satisfaction.

Due to financial reason, I will early release her from our 2 years contract. I sincere thank you for her contribution to my family, and we wish she finds success and happiness with her future employer.

Sincerely,

El k
