To Whom It May Concern

This is to certify that Ms. PATUBO, Rodelyn Azuelo, HKID holder of WX217720(8), has worked for me as domestic helper since 12 November 2019 and she has completed her 2 years of services with us until 11 November 2021.

She has been demonstrating well in her capability in taking good care of my twin girls until they are 12 years old now. She is patience and hardworking. It is sad to hear that she decides not to renew the contract with us but I would wish her well in her next role.

I would have no doubt to be contacted should you have any questions about Rodelyn.

Yours sincerely,

KAM, Wai Ping Jean
