Re: Ms. LOLITA R. SALVADOR

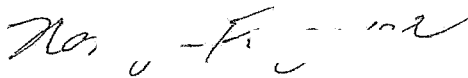

Ms. Salvador is a truly Remarkable Woman and Excellent in managing a household. She began working for our Family in 2020 and has been a Devoted Employee. It would be difficult to find someone who we could recommend more highly.

She is a brilliant cook rising to the level of a Chef on many dishes. She can prepare large meals for events and parties with ease. She managed the complex and varied Schedule of Two Primary Students who became Secondary School Young Men during her tenure. Both Parents work and travel for business in our household. At the same time, our sons maintain a School and Extra-Curricular Schedule that would terrify most Helpers or Parents.

The Boys traveled all over Hong Kong on a Daily basis for Sports, Language Classes, Parties, Academic Competitions and to Entertainment Venues such as Disneyland, Ocean Park, RYSE, Disneyland, Hong Kong Stadium and Kai Tak. Loli Salvador kept them safe and on time. This is no small Task.

We must give the Highest Recommendation to Ms. Salvador.

Yours sincerely,
