To Whom It May Concern,

I am writing to provide a reference for (Ms) JARDER Ma. Vibien Uy who has worked for my family as a domestic helper from May 5, 2017, to May 4, 2025. During this time, she has been an invaluable part of our household, providing exceptional care and support.

Vibien has consistently demonstrated her ability to maintain a clean and tidy home. She takes great pride in her work, ensuring that every corner of our house is organized and well-kept. Her attention to detail in cleaning has created a welcoming and comfortable environment for my family.

In addition to her housekeeping skills, Vibien has been responsible for preparing varied and healthy meals for us. She has a talent for cooking and has introduced a range of nutritious options that my family enjoys. Her meal planning and preparation have greatly contributed to our overall well-being.

Most importantly, Vibien has provided exceptional care for my daughter during her formative years, from 3.5 years old to 12 years old. She has meticulously kept my daughter clean, safe, and well-cared for, fostering a nurturing and supportive atmosphere. Vibien has been patient, loving, and attentive, ensuring that my daughter felt secure and valued.

During my own health challenges, including significant medical issues and two surgeries, Vibien stepped up to support not only my daughter but also me. Her reliability and competence during these difficult times were a source of comfort for our family. She managed household responsibilities with grace and efficiency, allowing me to focus on my recovery.

It is with a heavy heart that I say goodbye to Vibien as she has become much more than a helper; she is a cherished member of our family. Her contributions have made a lasting impact, and she will be greatly missed.

I wholeheartedly recommend Vibien for any future opportunities. She is a dedicated, skilled, and compassionate individual who will bring value to any household.

Sincerely,

TO WHOM IT MAY CONCERN

I am writing this reference letter for JARDIER Ma. Vibien Uy with HKID V [REDACTED] who has been employed with my family as a foreign domestic helper from April 2025-October 2025.

During this time, Vibien demonstrated the ability to perform several household tasks like cooking, cleaning, running errands, laundry etc. She also helped with baby related responsibilities especially playing and reading books to baby. She always maintained good hygiene. I would particularly like to call out her cooking skills and she has the knack of picking up new recipes and delivering food with a lot of finesse and perfection.

We are deeply grateful for Vibien's contributions to our household and wish her the very best for her future endeavours.

Sincerely,

Priyank Patwari
