To Whom It May Concern,

I am delighted to provide this strong reference for Ms. Marvi Zingapan, CANAYA, who has served as our full-time domestic helper in Hong Kong for almost ten years (from March 2016 to January 2026). Over this time, Marvi has truly become part of our family, and both of my children adore her for her kindness, patience, and steady presence.

Marvi is healthy, strong, and capable of heavy-duty tasks. She handles deep cleaning, laundry and ironing, moving and organizing household items, and other physically demanding duties with care and efficiency. She is also excellent at cooking—and she loves to cook—with specialization in Western and Chinese styles. From everyday family meals to more elaborate dishes, she plans menus, shops smartly, and prepares tasty food that our family has enjoyed immensely. Her signature dishes include fried steak and roasted lamb rack.

Throughout her employment, Marvi has been loyal, honest, and very reliable. We have entrusted her with keys, valuables, and confidential matters without hesitation. She is punctual, follows instructions, and often anticipates needs and solves small household problems independently. Her communication is clear and respectful, and she works harmoniously with both our family and any external service providers.

Please note that the sole reason we are releasing Marvi is our planned migration to the United Kingdom. This change in our family circumstances is unrelated to her performance, which has been consistently outstanding. If we were remaining in Hong Kong, we would gladly continue her employment.

I highly recommend Ms. Marvi Zingapan to any prospective employer. She will be an asset to your household, and I sincerely hope she can find a new employer who values her dedication, skills, and character. Should you require any further information, please feel free to contact me at 9: 7 or r ig@gmail.com.

Yours faithfully,
