

To whom it may concern,

Mostrales, Lilibeth Tolentino (HKID No. W)) has been with our family since 6 September 2017 and will be completing her service with us on 31 May 2026.

During her nearly nine years of employment, Mostrales, Lilibeth Tolentino has proven herself to be exceptionally honest, responsible, and hardworking. She managed her duties with minimal supervision, demonstrating great initiative and dedication. Her primary responsibilities included:

- Household Management: Comprehensive cleaning and maintenance of our residence.
- Culinary Skills: Planning and preparing daily meals.
- Vehicle Maintenance: Regular cleaning and upkeep of two family cars.

Mostrales, Lilibeth Tolentino is a polite and reliable individual who has been a tremendous help to our family. Due to changes in our family circumstances, we are unfortunately unable to renew her contract.

I highly recommend her to any future employer seeking a trustworthy and experienced domestic helper.

Kind regards,

Sylvia
