

Reference Letter

To whom it may concern,

Lyn has been working for our family for 7 years. She is an integral part of our family and we are grateful for her help in the past years.

Lyn works with another helper, and together they are both responsible for taking care of our daughter (2 yo) and two dogs (golden retriever and mixed breed), and general household duties.

Lyn is a very responsible and cheerful person. She absolutely loves our daughter and she adores our dogs. My daughter is very close to Lyn and she always asks for Lyn when Lyn is on vacation or when travel.

Both helpers work very well together, and Lyn is always willing to help her colleague and take on more responsibilities.

Our family has been spoiled by Lyn's fantastic cooking. Lyn is able to cook both western and Chinese dishes. She generally plans our meals for us, so we don't have to worry as both my husband and I work full time. When we have specific dishes that we would like to try, Lyn can follow recipes (and sometimes she would watch Youtube to find better ways of making the same dish).

Lyn has been with us for 7 years, and before that, she was with her previous employer for 5 years. This speaks volumes of how trustworthy she is.

Best Regards,

~~Helen Lee~~
