Re: Termination of DH Contract No. P916616
Helper name: Agustin Elena Verbo :HKID no. W6)

With reference to the captioned, this is to confirm that Ms Agustin Elena Verbo is under my employment since 28th November 2025, we reluctantly have to terminate the contract on 7th April, 2026 as we decide to move to Mainland China at Shizimen Silver Bay, Zhuhai in April 2026.

During her stay with us, she has proved to be a pleasant and hardworking person with big smile and can communicate well in English. She can finish work with clear instructions. We sincerely hope that she will meet a good employer in the near future.

Thank you for your kind attention.

Yours truly,
