

RELEASE LETTER

TO WHOM IT MAY CONCERN

This is to certify that **Sarmiento, Edgar B** worked as our family driver and domestic helper from **May 1, 2026 to Sep 15 , 2026**. His primary responsibility was driving and assisting my elderly mother.

During his employment, **Edgar** proved to be a safe, reliable, and punctual driver. He maintained our vehicle meticulously, possesses an excellent knowledge of Hong Kong roads, and was exceptionally patient and attentive when assisting my mother.

We are terminating his contract because my mother is moving into my residence where we already has a helper with driving duty. This separation is unrelated to his job performance, conduct, or capability.

We highly recommend **Edgar** to any future employer seeking a trustworthy and competent driver.

Sincerely,
