

It May Concern,

Wishing to highly recommend my domestic helper, JULIE ANN F AL, Passport  
[P5], who has been employed by our family from Feb 2025 to 30 Sep 2026.

The sole reason for terminating her contract is that **our family is immigrating overseas**, and unfortunately, we are unable to bring her with us. Otherwise, we would have undoubtedly renewed her contract without any hesitation.

During her time with us, Julie Ann has proven to be an exceptionally reliable, honest, and hardworking individual. Her primary responsibilities included:

- **Household Management:** Managing daily cleaning, laundry, grocery shopping, and household organization with high standards.
- **Cooking:** Preparing nutritious and delicious meals for the family daily.
- **Child Care:** Taking excellent care of our son showing immense patience, love, and attention to their safety and well-being.

Julie Ann has a wonderful personality. She is self-motivated, proactive, and always completes her tasks with a positive attitude. She communicates well, follows instructions perfectly, and has become a deeply trusted and cherished member of our household.

We are incredibly grateful for her dedicated service over the past years. She will be a tremendous asset to any household lucky enough to employ her.

If you require any further information regarding her performance, please feel free to contact me by WhatsApp at 66501380.

Yours faithfully,

Edwin
