

To Whom It May Concern,

Letter of Recommendation for DELA CALZADA, Manilyn Cano

I am writing to highly recommend DELA CALZADA, Manilyn Cano HKID:WX760449(A), who has been working as our domestic helper from Nov 2025 to Sep 2026.

During her time with our family, she has proven to be an exceptionally hardworking, reliable, and highly responsible individual. She takes great initiative in all household duties, managing daily chores efficiently and with high standards.

One of her greatest strengths is her outstanding cooking skills. She consistently prepares delicious meals for our family, maintains excellent kitchen hygiene, and is always eager to learn new recipes to suit our preferences.

Due to our upcoming job relocation, we are unfortunately unable to continue her employment. We are very sorry to see her leave, as she has been a fantastic helper and a wonderful addition to our home. We have complete trust in her integrity, honesty, and strong sense of responsibility.

We have no hesitation in recommending her to any prospective employer. Should you require any further information, please feel free to contact me.

Yours faithfully,

---
